

01 Author Login

To submit a manuscript to KSECE Journal, you should log into KSECE or create an account.

- 1.If you do not have an account, please create one.
- 2.Login with ID and password in 'Login' page.

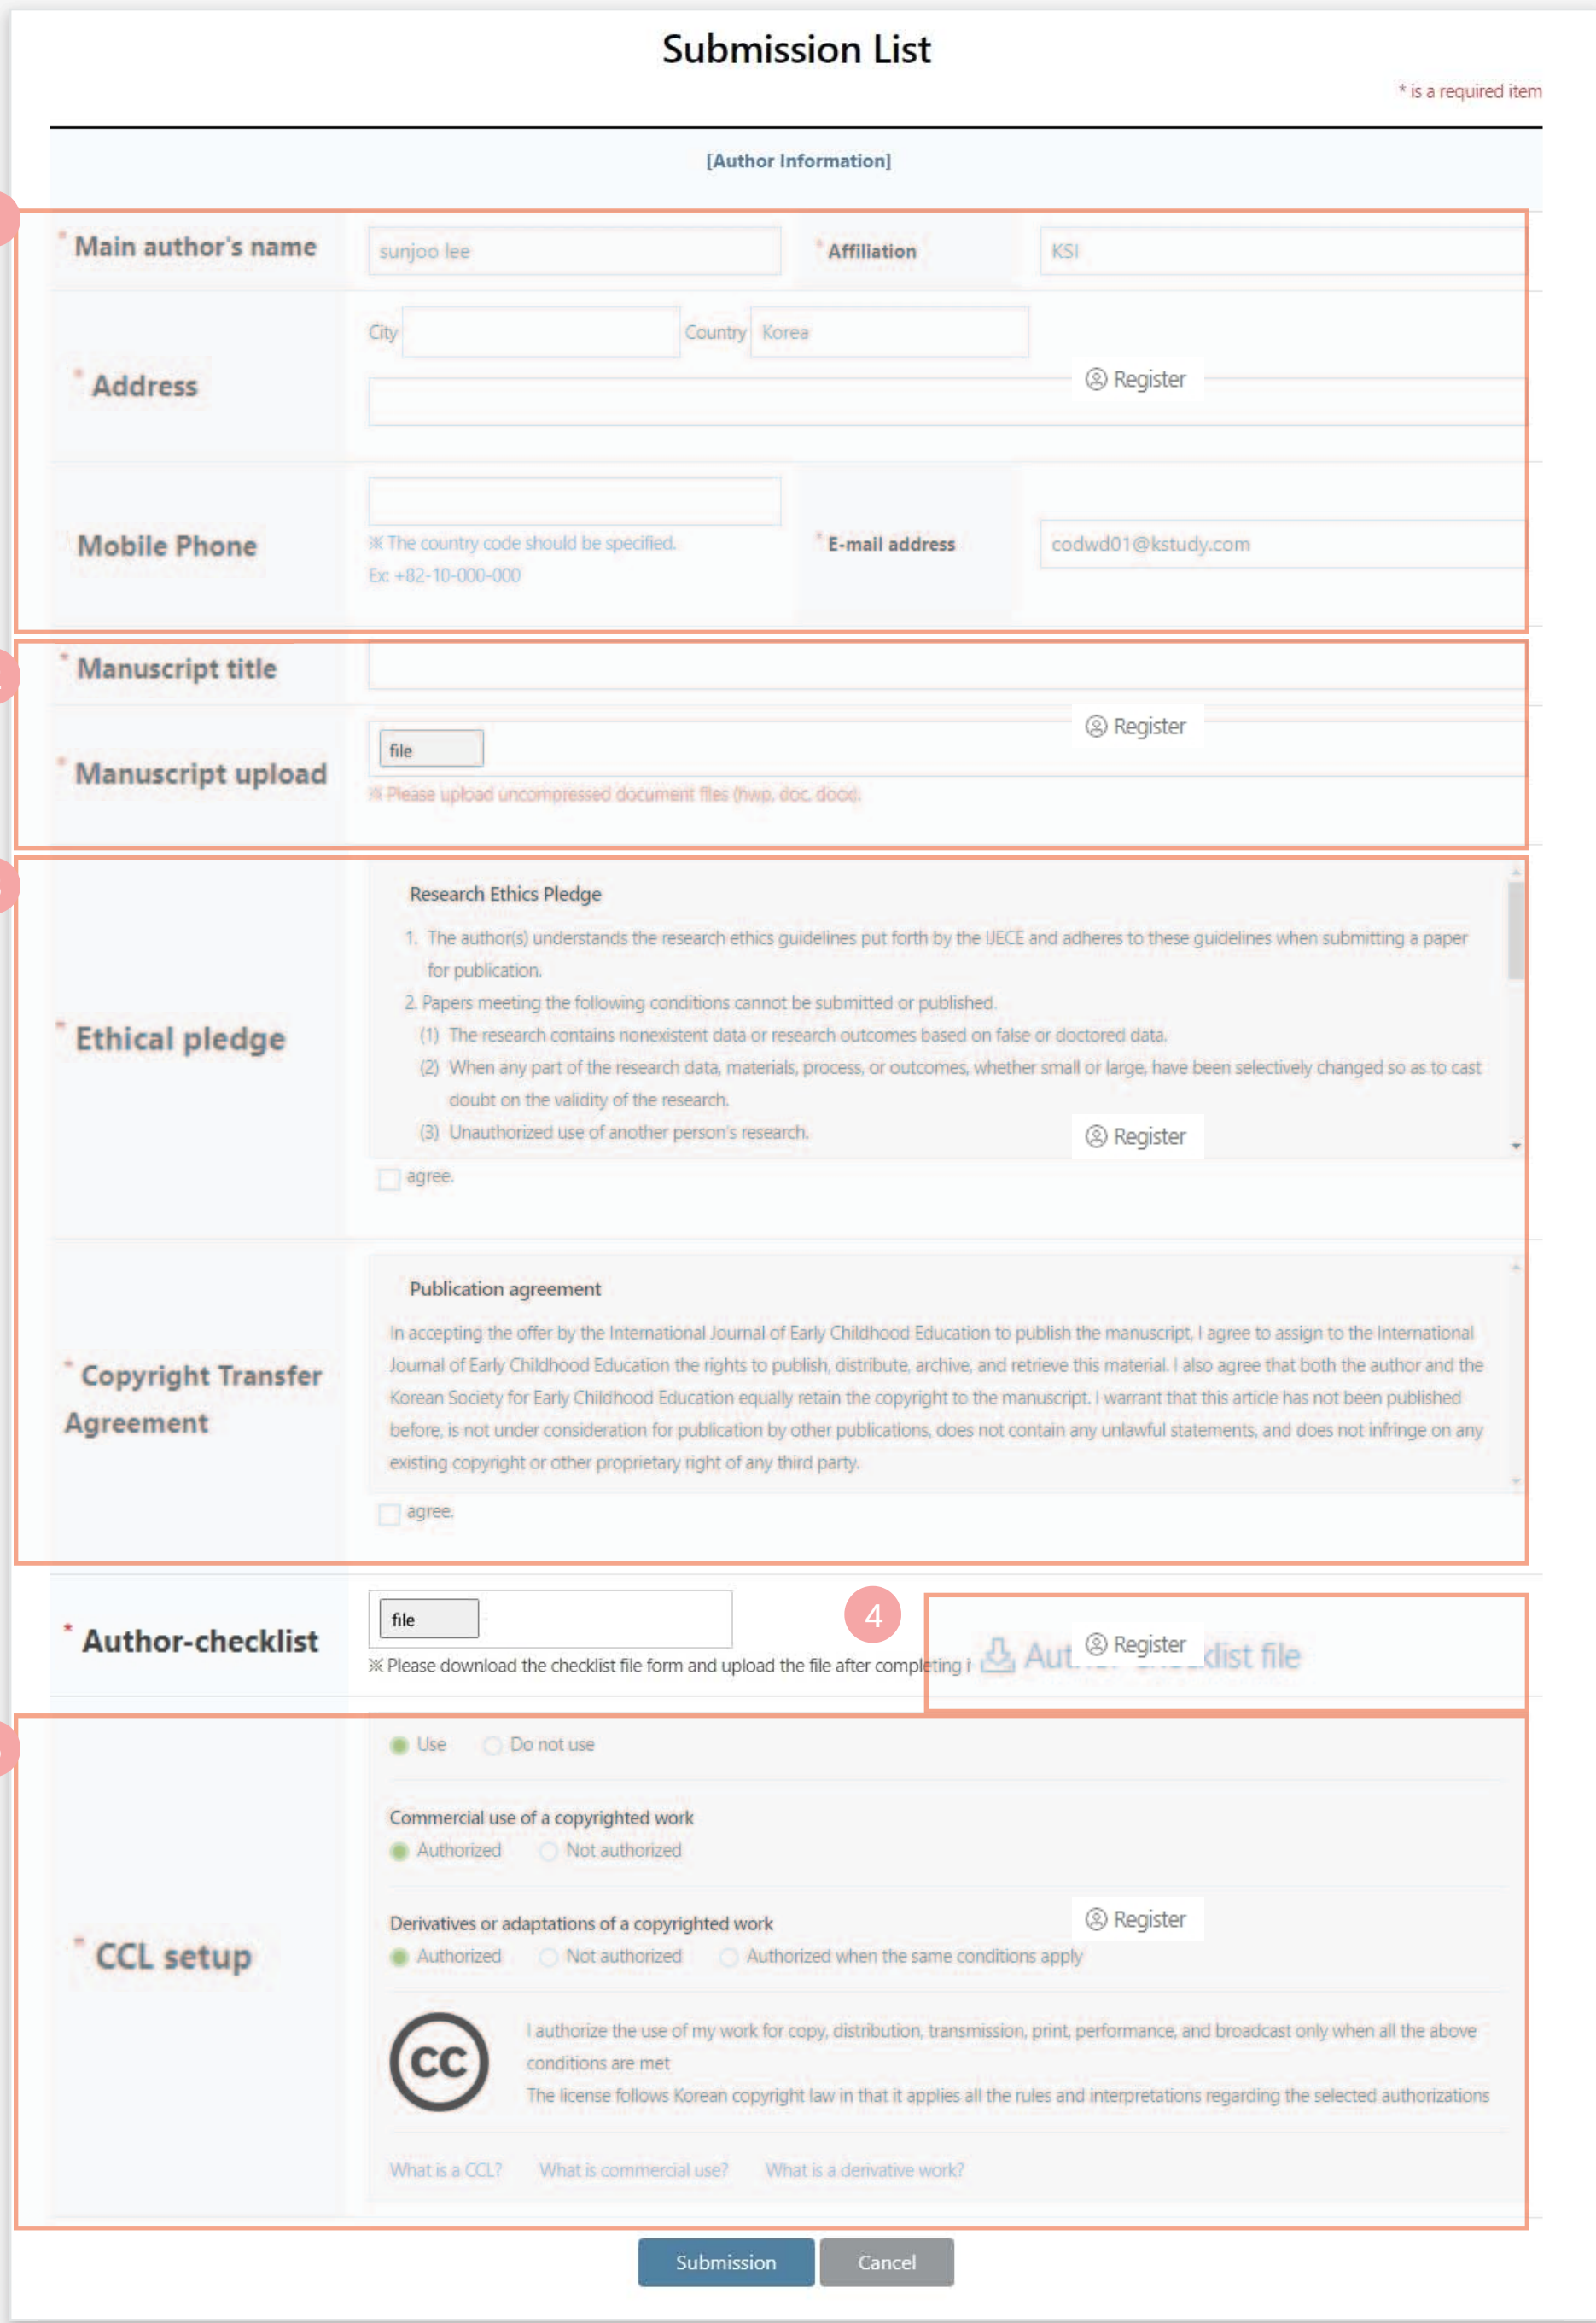

02 Submission list

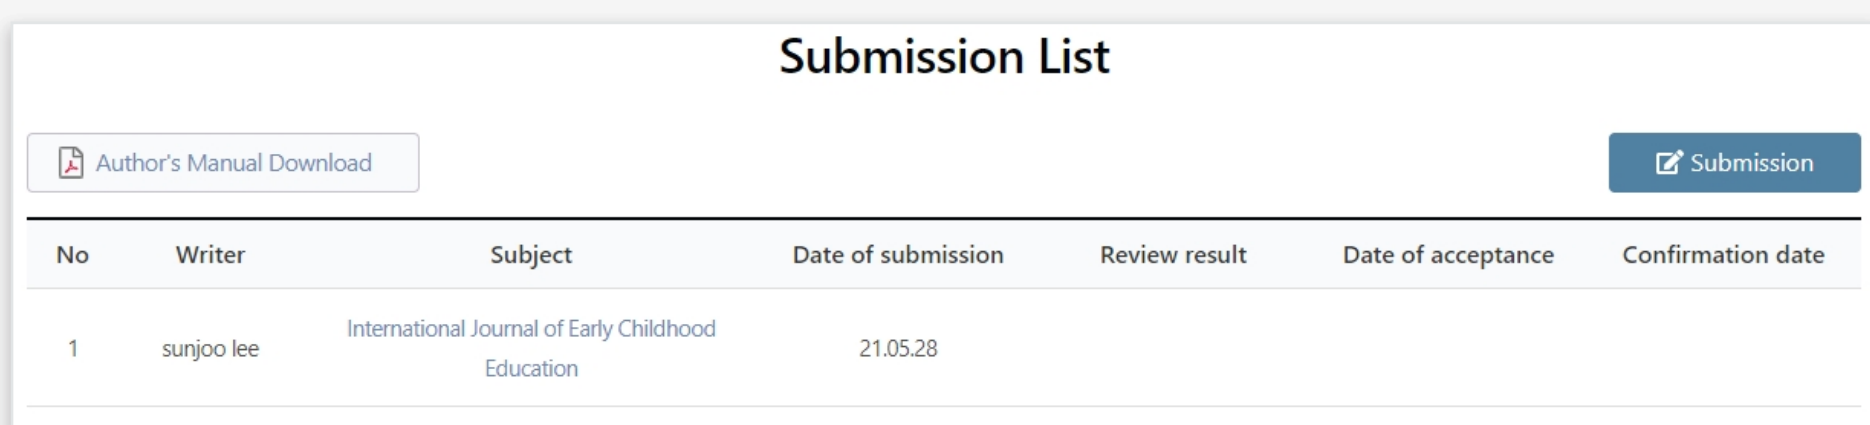

If you log into KSECE, a submitted journal list will appear as shown in the page.

- 1.You can download the Author's Manual.
- 2.You can find out a submitted journal in the list.
- 3.When you click a "submission" button on the upper right side of the page, a journal submission will proceed.

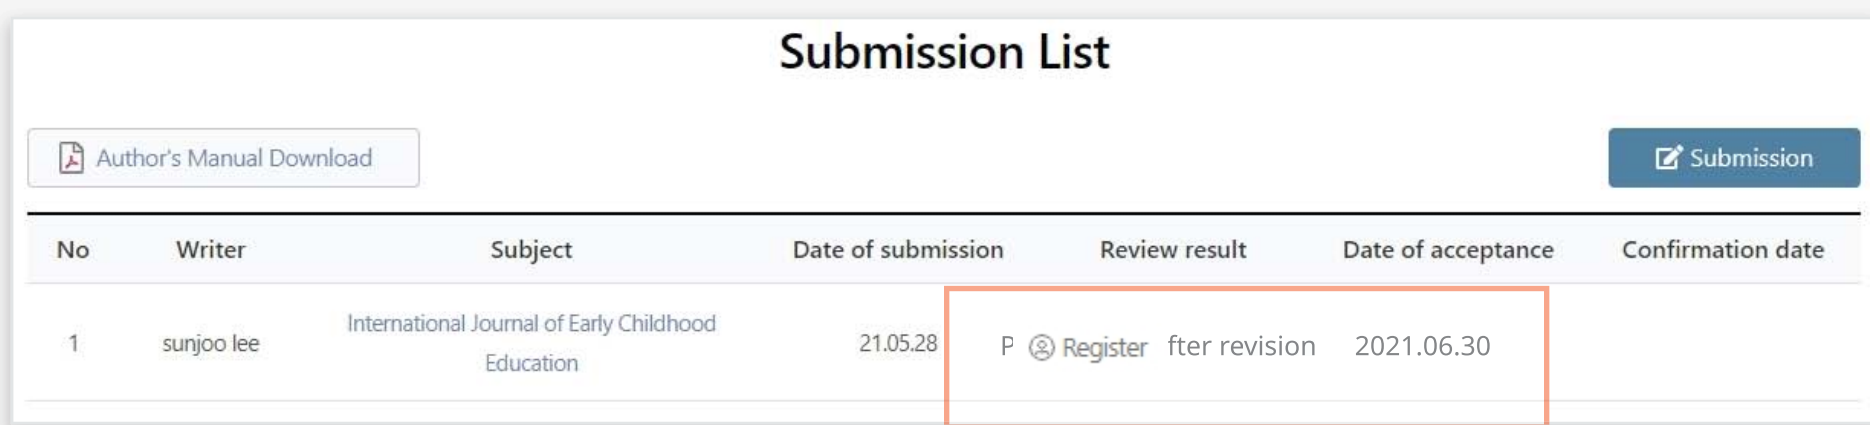

03 Submission

- 1.Please check the author's information thoroughly.
2. Fill in a manuscript title. Upload a manuscript for submission.
3. Check [I agree] after reading an ethical pledge.
4. Download [Author-checklist file](#) form in this page and upload the form after filling in
5. You must agree to CCL setup

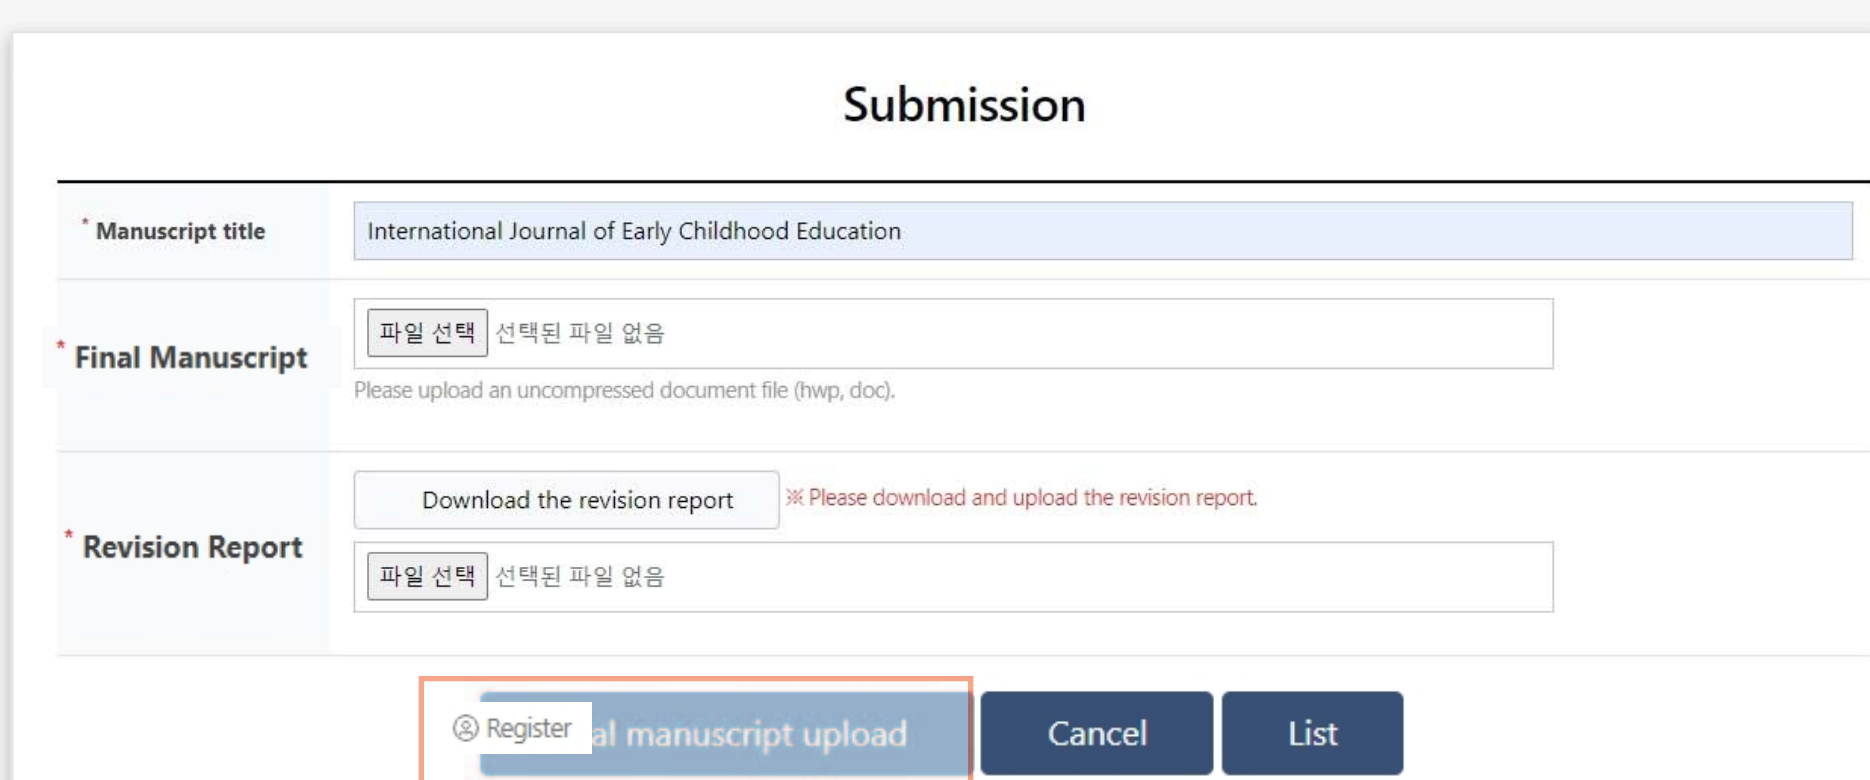

Now, the submission is completed. Your journal will be on the submission list.

Then, check a review result. If a result is "Publishable" or "Publishable after revision", you should re-upload a final manuscript.

You can see details of the result and also can upload the final manuscript when you click the title of submitted journal.

04 Final Manuscript

Upload a final version of the manuscript after the revision.

You can see details of the result and also can upload the final manuscript when you click the title of submitted journal.

Download [the revision report file](#) form in this page and upload the form after filling in

Finish submission after uploading all files.
