

Call for papers – Journal of International Child Care and Education Policy (ICEP) November 2013 Volume 7 No.2

We are pleased to announce the call for papers for *International Journal of Child Care and Education Policy* (ICEP). We kindly ask you to distribute the message below to colleagues within your respective organizations and networks.

International Journal of Child Care and Education Policy

The *International Journal of Child Care and Education Policy (ICEP)* has disseminated a wide-ranging collection of articles that cover the breadth of child care and education policy. Jointly published by Korea Institute of Child Care and Education (KICCE) and the National Institute for Early Education Research (NIEER) from May 2013, the journal intends to disseminate research and analysis regarding major issues of child care and education policy relating to young children and their families to a broad, international readership, including policymakers, researchers, and practitioners. A peer reviewed journal, ICEP invites submission of articles concerning policy reforms, empirical research on early childhood education and care (ECEC), policy analyses and comparisons, and more. ICEP publishes original and review papers, technical reports, case studies, conference reports, and government reports.
